

# Element ECT-105

Multi-Interface Medical Grade Washable Keyboard with Cleanlock Function

The Element ECT-105 series medical grade washable keyboards is designed to offer front-line workers additional protection by providing an easy to clean input device.

Our medical silicone keyboard is fully sealed to ensure easy and effective cleaning and comes with a unique Cleanlock function that allows the keyboard to be easily disabled for cleaning routines.

The ECT-105 series also comes complete with a removable Silicon cover that can be replaced when required and an industry leading Multi-Interface ensuring that the same product can be used in all aspects of the Healthcare environment.

- > Standard 104 keys full keyboard with Multi-Interface (USB, BT, WiFi)
- > Complete protection against dust and liquids, IP68 (washable)
- > Clean Lock function allowing the keyboard input to be disabled during the cleaning process
- > Comes with a removable silicon cover allowing to be quickly wiped clean, and a USB charging cable for charging the keyboard's built in battery
- > Keyboard is ideal for common use environments such as hospitals, government offices, libraries, schools and more
- > Can be used with medical gloves
- > Sterilised in seconds, no need for expensive sterilisation methods
- > Silent low noise key switches
- > 6 degree desktop angle for a comfortable typing experience
- > Antimicrobial plastics prevent the growth of bacteria

# Technical Specifications - ECT-105 WHITE

Interface:	USB + Bluetooth 5.0 + RF 2.4G (All in one)	
Size:	346(L) x 116(W) x 28(T) mm	
Net Weight:	560g	
Gross Weight:	700g	
Colour:	White	
Switching life:	Min 6 million times	
Protection:	IP68	
Power:	Built in 1000mAh rechargeable lithium ion battery(50mA@3.7V)	
Battery life:	500 times charge discharge cycles	
Charging time:	3 hours	
Operating temperature:	-10 °C to +55 °C	
Storage temperature:	-20 °C to +60 °C	
Humidity:	Up to to 100%	
Shock:	3x11 ms pulses (65g) each axes	
Vibration:	0,04g/Hz, 20Hz-2kHz, 3 hours	
Certifications:	FCC ID, CE, RoHS, IP68, C-Tick, Antibacterial	
Warranty	Keyboard	36 months
	Battery	12 months
